

Production Assistant (m/f/d)

Josef Betzler GmbH is an innovative family business based in Seitingen-Oberflacht, Baden-Württemberg. We specialize in the development and production of high-quality surgical instruments that are used in modern surgery worldwide.

Our philosophy is based on reliability, quality and the continuous development of our products and employees.

Your tasks

- Supporting our production specialists in the manufacture of surgical instruments
- Equipping, maintaining and cleaning production systems
- Monitoring the smooth production process
- Packaging, labeling and sorting products
- Carrying out storage and transportation work

Your profile

- Manual dexterity and technical understanding
- Physical resilience and willingness to work in production environments
- Reliable and careful way of working
- Ability to work in a team and flexibility
- Good written and spoken German skills

We offer

- Comprehensive training in your area of responsibility
- A collegial working environment with flat hierarchies
- Attractive remuneration with special payments such as vacation pay
- 30 days annual leave
- Opportunities for professional development
- Company pension scheme and capital-forming benefits
- Free drinks at the workplace
